

KID Museum Graphic Design Internship

About

KID Museum is a new type of children's museum in Montgomery County geared toward elementary and middle school-age children (ages 6-14) that focuses on cultivating the next generation's skills, aptitudes and vision to become innovative, empathetic leaders of the future.

KID Museum is built on three core themes:

- (1) *Engage* kids in imaginative and creative "maker" activities that integrate science, technology, engineering, math and art
- (2) *Encourage* kids to explore world cultures and appreciate diversity
- (3) *Promote* social responsibility and active global citizenship

In October 2014, KID Museum launched its first home in the Davis Library in Bethesda. This is a first step toward the museum's broader vision of establishing a permanent home in Montgomery County. The program space brings a nationally recognized model of hands-on STEAM (Science, Technology, Engineering, Arts, and Mathematics) programming along with an exploration of world cultures and global citizenship. KID Museum serves as an incubator for the 21st century skills children need in order to be successful.

Responsibilities:

- Create graphics and design layouts for posters, flyers, ads, signs, social media posts, and other marketing pieces to promote KID Museum to the community and communicate particular events and programming.
- Collaborate with the Director of Communications and Webmaster to come up with design solutions and update and create pieces as needed.
- Assist with photography needs
- Assist with photo and video editing

Requirements:

- Experience creating graphics and a solid grasp of design concepts
- Comfort working in Wordpress and Adobe Creative Suite, including Photoshop, InDesign, and Illustrator
- A collaborative and flexible working style

The position will last throughout the semester. Hours can be scheduled anywhere from 9AM-6PM, including some weekend hours. Interns are expected to work around 10-15 hours a week. Students are expected to obtain and complete any necessary forms to receive credit for their internship and are responsible for meeting any registration requirements from their college or university.

To apply for this position, please send a resume and cover letter outlining your experience and suitability for the position to Adriana at adriana@kid-museum.org.
