

MAKE AN IMPACT THROUGH YOUR ORGANIZATION

KID Museum invites corporate sponsors to be a part of its year-end holiday event, *Make Merry & Make an Impact*, which supports access to high-quality maker programs for children across our region.

Mix, mingle, and make an impact in our community! Experience KID Museum's hands-on activities, and enjoy the one-of-a-kind, hand-crafted maker-tini bar during this special night just for grown-ups. Learn more about the power of maker education and the ripple effects in our community—inspiring an interest in STEM, and building the creative problem-solving skills kids need to become tomorrow's leaders and changemakers.
