SPRING 2020 SUNDAY WORKSHOPS

MARCH 01

10:30AM | GRADES K-2 | FAB LAB 3D PRINTED NAMETAGS

Learn the fundamentals of 3D modeling and printing and design your own nametag.

12:30PM | GRADES 3-5 | ELECTRONICS ELECTRONIC FAN CARS

Develop your circuitry skills as you design and build a car powered by a motorized fan.

MARCH 15

10:30AM | GRADES K-2 | ELECTRONICS WEARABLE SPIN PIN

Combine circuits and design to create a colorful spin pin with LED lights.

12:30PM | GRADES 3-5 | FAB LAB 3D PRINTED STAMPS

Learn the basics of 3D design and printing as you design your own usable stamp in TinkerCAD.

MARCH 22

10:30AM | GRADES K-2 | MAKER SCIENCE WATER FILTERS

Use your maker skills to build and test your own DIY water filter.

12:30PM | GRADES 3-5 | WOODSHOP MOUSETRAP CARS

Discover how much power is in a wound-up spring as you build your own mousetrap-powered vehicle.

MARCH 29

10:30AM | GRADES K-2 | WOODSHOP LUMBERYARD ANIMALS

Develop your woodworking skills as you design your own poseable wooden animal sculpture.

12:30PM | GRADES 3-5 | MAKER SCIENCE MECHANICAL ANIMALS

Learn about the physics of force and motion as you design your moving animal creation.

3PM | GRADES 6-8 | INVENT THE FUTURE OPEN BUILD

Participating in the Invent the Future Challenge? Bring your designs into reality at KID!

APRIL 19

10:30AM | GRADES K-2 | TEXTILES MINI STUFFIES

Practice basic hand-sewing skills as you design your own special stuffed toy friend.

12:30PM | GRADES 3-5 | MAGLEV TRAINS CENTRAL JAPAN RAILWAY COMPANY PT. 1

Build your own magnetic track and MagLev train car to take home in this two-part workshop.

3PM | GRADES 6-8 | INVENT THE FUTURE OPEN BUILD

Participating in the Invent the Future Challenge? Bring your designs into reality at KID!

APRIL 26

10:30AM | GRADES K-2 | ROBOTICS ANIMAL ROBOTS

Learn how sensors help robots process information and create your own "nocturnal" animal robot.

12:30PM | GRADES 3-5 | MAGLEV TRAINS CENTRAL JAPAN RAILWAY COMPANY PT. 2

Build your own magnetic track and MagLev train car to take home in this two-part workshop.

3PM | GRADES 6-8 | MAKELAB SCREEN PRINTING

Create a custom, reusable design and print your own item to take home.

REGISTER IN PERSON OR ONLINE
AT KID-MUSEUM.ORG/ADMISSION

SUMMER CAMP 2020

Be a KID with us this summer as we hack, invent, explore, and make. KID's camps are designed and led by our professional maker educators and develop real-world skills through fun, hands-on projects. Dive in and discover what you can create!

kid-museum.org/summer-camp

AFTER-SCHOOL | MAR. 30 - JUN. 11

10-WEEK SESSIONS | 4:30PM

KID-MUSEUM.ORG/AFTER-SCHOOL

Interested in science, costumes, or being a secret agent? Check out our new after-school programs!

MONDAYS, MAR. 30 - JUN. 08

GRADES K-1 | KINDER MAKER SCIENCE

TUESDAYS, MAR. 31 - JUN. 09

GRADES 2-3 | SIMPLY MAGNIFICENT MACHINES

GRADES 4-5 | DIGITAL DESIGN & FABRICATION

GRADES 6-8 | MAKER COMIC CON

WEDNESDAYS, APR. 01 - JUN. 10

GRADES K-1 | KINDER MAKER SCIENCE

GRADES 2-3 | GAME TIME!

THURSDAYS, APR. 02 - JUN. 11

GRADES 4-5 | MAKER GAMES

GRADES 6-8 | SECRET AGENT MAKERS

DAY CAMPS | SPRING BREAK | APR. 7, 8, 9 & 28

9AM - 4PM

KID-MUSEUM.ORG/DAY-CAMPS

Spring into another season of making at KID! Build secret agent gadgets, design earth-inspired projects, and more!

TUESDAY, APRIL 07

GRADES 1-2 | AERONAUTICA

GRADES 3-5 | SPY KIDS

WEDNESDAY, APRIL 08

GRADES 1-2 | KID ARCADE, JR.

GRADES 3-5 | PLANETEERS

THURSDAY, APRIL 09

GRADES 1-2 | CIRCUITS & ROBOTS

GRADES 3-5 | TRANSPORTATION OF THE FUTURE

TUESDAY, APRIL 28 (MCPS DAY OFF)

GRADES 1-2 | NATURE MAKERS

GRADES 3-5 | SPACE KIDS
