Fête for the Future
Sponsorship Opportunities

Light up the possibilities for the young innovators of today.
ABOUT US

KID Museum is a hands-on, creative learning space for youth that cultivates the next generation of innovators and changemakers.

Through deep, project-based learning experiences, youth develop technical skills in coding, robotics, electronics, and engineering design, while making measurable and significant gains in perseverance, creative problem-solving, STEM interest, and empathy — equipping them with the skills they’ll need to thrive both in school and in the future workforce.

Since opening in 2014, KID Museum has served more than 335,000 kids, parents and educators, with a deep commitment to equity and inclusion.
WHAT IS FÊTE?

FÊTE FOR THE FUTURE is our annual fundraising event — a celebratory evening of legendary changemakers, cocktails, and adult hands-on activities.

Mix and mingle with other champions of change!

Who attends Fête?
Government officials, corporate leaders, community organizers, and friends of KID

FÊTE FOR THE FUTURE
KID Museum
3 Bethesda Metro Center
Bethesda, MD 20814

December 7, 2022 | 6:30-9:00pm
All proceeds from Fête for the Future support **access for youth** from under-resourced communities to participate in KID Museum programs.

335,000+
individuals served since opening in 2014

“**Our children’s growth and success absolutely takes an entire community.**”

Dr. Monifa McKnight
Superintendent of Montgomery County Public Schools
